

Privacy Policy

Introduction

This Privacy Policy explains how LLC 'TFC Finance' ('we,' 'our,' or 'us') handles user information when you access or use our website (www.tfc.finance), decentralized applications (DApps), and other digital platforms (collectively, 'Platforms'). By using our Platforms, you agree to the terms of this Privacy Policy. If you do not agree with our policies and practices, please do not use our Platforms.

Information Collection

TFC Finance does not directly collect personal data from users. However, third-party service providers involved in the operation and functioning of our Platforms may collect information necessary to deliver their services. These third parties include:

- Payment Systems: These systems handle transactions and manage payments related to the TFC token presale and other purchases.
- App Stores: Platforms where our decentralized applications are available for download and installation.
- Hosting Providers: Services that host our website and ensure its performance and security.

Third-Party Data Collection and Use

While we do not collect your personal information, third parties providing services on our behalf may collect, use, and store personal data as part of their service provision. We do not control and are not responsible for how these third parties handle your personal information. We recommend reviewing the privacy policies of these third parties to understand their data handling practices.

Responsibility for Data Handling

We acknowledge our responsibility in ensuring that third parties involved in the functioning of our Platforms adhere to privacy and data protection standards. We strive to work only with reputable third-party providers who prioritize data security and user privacy. However, we cannot guarantee the actions or policies of these third parties.

Data Security

We take reasonable measures to protect your data from unauthorized access, use, or disclosure. However, please note that no method of transmission over the Internet or electronic storage is 100% secure, and we cannot guarantee absolute security of your data.

Data Retention

Since we do not directly collect personal data, we do not retain any user data. Any data collected and retained by third parties will be subject to their respective retention policies.

Your Rights

As we do not collect personal data, we do not hold any information that can be used to identify you. For rights related to your personal data, please refer to the privacy policies of the third-party service providers involved in our Platforms.

Changes to This Privacy Policy

We may update our Privacy Policy from time to time. Any changes will be posted on this page with an updated revision date. We encourage you to review this Privacy Policy periodically to stay informed about how we are protecting your information.
